

## TWO DAYS LATE

The United States actually declared itself officially independent two days before the Declaration of Independence was adopted. World Book Encyclopedia reports that Congress approved on July 2, 1776, a resolution by Richard Henry Lee that "These United Colonies are, and of right ought to be, free and independent States."

## Cedar Rustics Open to Public

Cedar Rustics, a 186-home, Bronze Medallion development in the Harbor City area of Los Angeles, at 242nd Place and Western Avenue, will be open to the public Sunday, July 2, from 11 a.m. to 7 p.m., according to Sales Manager John Gause.

A home economist and an electrical technician from the Los Angeles Department of Water and Power will host the open house program in a model home located at 24242 Postmaster Avenue, Harbor City, near the 242nd Place and Western Avenue intersection.

A Bronze Medallion is awarded by the Los Angeles Department of Water and Power only to those homes qualified by the Southern California Medallion Home Committee as meeting the modern high standards of electrical excellence in wiring, lighting and appliances.

The DWP home economist will discuss electrical living and point up the advantages of electrical appliances, including the electric range and double oven, dishwasher, and disposal.

All homes are wired for an electric dryer installation. Electrical appliances and various lighting fixtures available in the homes also will be displayed at a central location near the model homes.

## FIVE PLANS

Five basic floor plans are available in these 186 three-bedroom two-bath homes. All homes will be carpeted.

Comfortable, convenient electrical living is the trend indicated by today's homebuyer, Gause said.

Cedar Rustics development can be reached by traveling south on Western Avenue, turn left at 242nd Place in Harbor City and driving to the development site.
